

## HANDS & FEET

\* LPG® endermologie

### Hands off!

French skincare brand LPG® endermologie has refined its technology to offer a specially dedicated treatment for the hands that reverses the signs of ageing, using its all-new CELLU M6 Alliance. Much like its application to the rest of the body and face, the treatment naturally stimulates the skin's surface, reactivating cells and firming the tissue. For optimum results, combine with the brand's high-performance Anti-ageing Hand and Lip Cream. Discover more at [endermologie.com](http://endermologie.com)

### Naturally gorgeous

Naturally Tribal Skincare is a natural, ethically sourced, vegan skincare range. Their 'Source to Jar' traceability offers 100% natural skincare, encased in environmentally friendly glass jars suitable for recycling. Naturally Tribal Skincare ingredients are carefully sourced in Africa and made with love in the UK. See the whole range at [naturallytribalgroupp.com](http://naturallytribalgroupp.com)

### Keep your cool

CND Marine Cooling Masque cools feet, and helps to calm inflammation and irritation whilst drawing moisture to the skin. The mineral clay masque with hydrating sea extracts leaves feet feeling smooth, supple and relaxed. Like a facial for the feet, it provides aromatherapeutic benefits of natural spearmint oil, creating a relaxing and calming sensation for the client. ### Think pink

Salon System have announced the launch of a new product to its GELLUX range, Cover Pink Base Coat. This high viscosity gel base adds strength to the nails, concealing damaged, ridged or discoloured natural nail beds, covering imperfections with a

### Right to roam
